ADS Florida, LLC	Other Brokers
<b>AS YOUR AGENT, WE REPRESENT YOU</b>	
While we believe the most successful practice transitions are <b>win/win</b> for both seller and buyer, we are legally and ethically bound to represent your best interests when you list your practice with us. Some brokers claim dual representation and say they represent both the seller and purchaser. In the State of Florida, this practice is <b>illegal</b> . Other brokers represent only 'the transaction' and therefore, do not work for anyone (except perhaps themselves). ADS Florida has never represented both sides in a transaction since we, like the State of Florida, feel it is a conflict of interest.	<b>NO</b>
<b>SHORTER PRACTICE LISTING TO SALE TIMES THAN OTHER BROKERS</b>	
We have a pulse on the market and the data shows that practices listed with ADS Florida sell faster on average than practices listed with other brokers—between 25% and 85% faster (first on the market to sold status). Our clients also overwhelmingly express satisfaction with their transition.	<b>NO</b>
<b>OUTPERFORMS OTHER COMPANIES BY NEARLY 100% IN SALES PER TEAM MEMBER</b>	
ADS Florida has consistently averaged nearly twice as many practices sold per team member as other Florida transitions companies. This track record of productivity points to the advantage of working directly with full-time specialists in a company that has more than 40 years of experience – and that's not combined experience.	<b>NO</b>
<b>TRANSITION SPECIALISTS FOR LEADING DENTAL SCHOOLS</b>	
Dental schools around the country rely on the expertise and experience of ADS Florida to advise students on transitioning into practice. As a result, we have a continuing resource and relationships with prospective buyers, as well as direct exposure to the newest trends in dentistry.	<b>NO</b>
<b>OUTSTANDING RELATIONSHIPS WITH OTHER TRANSITION PROFESSIONALS</b>	
In our more than 35 years in business, we've established trusted relationships with other professionals whom we can employ on our clients' behalf. From leading lenders in the dental industry, to premier dental financial planners, to accountants and attorneys well-versed in practice transitions, we have the resources to meet your needs, whatever your stage or situation.	<b>?</b>
